NOTE: Enrollment at Indiana University does not guarantee admission to any of the IU School of Medicine Health Professions Programs. To be eligible for clinical admission to one of these programs, students must adhere to the academic regulations of the academic unit in which they are enrolled and meet School and individual program preadmission requirements as stipulated in the general education and program sections of the most recent bulletin. Admission to many programs is competitive; therefore, completion of the prerequisites does not guarantee admission to the program. To be considered for admission, students must complete an application in the year prior to entry by the program's stated application deadline.

If the application deadline has passed and you are interested in starting the MIT Program, please contact patte120@iu.edu to see if class capacity is full. Application Deadline Admission for clinicaltracs is November 15th of the year before anticipated entry. Admission for Non-Clinical is rolling admissions.
