BYLAW ARTICLE I. PURPOSE
The Curriculum Council Steering Committee (CCSC) is the standing committee created by the Faculty Steering Committee (FSC) in its bylaws that is responsible for the oversight of the MD curriculum at IUSM. It is the faculty body that manages, evaluates, and continually improves the medical curriculum as is required by the Liaison Committee for Medical Education (LCME). The CCSC sets curricular policy for education and has oversight responsibility for ensuring compliance and comparability. The CCSC reviews data at specified intervals to monitor and evaluate the curriculum as a whole and makes informed decisions to enhance, coordinate, and ensure coherence of the educational program.

BYLAW ARTICLE II. MEMBERSHIP

Section A. Leadership
The CCSC will be led by two co-chairs, one of which is appointed by the Executive Associate Dean for Faculty Affairs, Professional Development and Diversity (FAPDD) on behalf of the Dean of IUSM, in consultation with the Executive Associate Dean for Educational Affairs. The other co-chair will be a member of the Office of Medical Student Education appointed by the Senior Associate Dean for Medical Student Education in consultation with the Executive Associate Dean for Educational Affairs.

Section B. Voting members of the CCSC
1. Dean-appointed committee members

Each spring, committee chairs are asked to review their current rosters with consideration of diversity in terms of gender, race/ethnicity, department, degree (i.e., PhD, MD), and campus. Unless otherwise stated on the EAD appointment letter, members will serve a 2-year term with eligibility for reappointment.

2. Elected faculty members
The IUSM faculty elects two members per year to serve in 2-year terms on the CCSC on as wide a representational basis as possible. The election procedures are described in the FSC constitution and bylaws.
